Section 2: Reading Skills

Reading skills is the ability of an individual to read, comprehend and interpret written words on a page of an article or any other reading material.

The questions will be of Multiple Choice types for comprehension/paragraph related questions.

Read the comprehension and answer the questions below:

The first Olympic Games took place in 1960 in Athens in Greece. The aim of the Olympics was to bring together athletes from various countries in order to promote world peace. This aim remains the same even today. The Olympic Games include a variety of individual and team sports.

In 1920, the first Olympic flag was presented. The flag contains five interconnected rings upon a white back ground. Each of the rings stands for one of the five major continents. They are interconnected to symbolize that the world can work towards the world peace through these international competitions. The rings are blue, yellow, black, green and red. These colors were chosen because at least one of them appears on the flag of every country in the world.

6. What is the aim of the Olympics?
 - a. To unite the five major continents
 - b. To include variety of individual and team games
 - c. To promote world peace.
 - d. To entertain the sports men.
7. Why were the five colours chosen?
 - a. To include the five continents in the game.
 - b. The colours appear on the flag of every country.
 - c. The colours are attractive.
 - d. To promote international competitions
